

Dear Corporate Neighbor and Community Partner,

Warmest Greetings from The Lone Star Chapter-Elect of The Society, Incorporated, a 501 (c) 3 non-profit organization of women focused on nourishing communities through The Arts. As the newest chapter in our national organization, our mission is to celebrate, advance and support The Arts in the Dallas-FortWorth MetroPlex.

We accomplish this by:

- Fortifying local arts agencies and organization through volunteerism, membership, promotion and charitable donations
- Supporting young people in the arts through mentorship, funding and exposure-building activities
- Exposing to The Arts underprivileged young people who, otherwise, would go without
- Fundraising that enables us to help provide artists and agencies the support needed to thrive.

We know you share our commitment in ensuring that The Arts survive, even as budget cuts across the nation threaten its existence. To that end, we are asking you to join us as an official **PARTNER** by attending our chartering luncheon as a representative of your organization's support for The Arts, and by serving as a sponsor of our upcoming "Young Artists Showcase." The showcase features talented students from arts programs across the metroplex and gives them the visibility needed to connect with leaders in the arts industry. Proceeds will help fund their audition, equipment, coaching and other needs.

Please join us as our **"Soloist" Title Sponsor**. Your investment will pay off in a number of ways. More than 150 leaders from key community organizations will be notified our your support through our online newsletter, our Website and in our quarterly mailing. Also, as you will see in your package, the community at large, will be able to witness your support of The Arts through this activity. I have also included other partnership levels for your review.

Thank you for your consideration. I will follow up within the week to answer any question you have. If you would like to talk before then, you can reach me by phone, at 972-804-8848 or by email at thelonestarchapterthesociety@gmail.com.

Sincerely,

Felicia Layeni, President
The Lone Star Belles

Dr. Januari S. Lewis, Chairman
Chartering Luncheon and Arts Celebration
